

RESIDENT SELECTION PROCESS

1. Resident Application and all required documentation received
2. Application process letter (below) and copy of rules are provided to the applicant
3. Application is reviewed. It is determined whether the applicant fulfills all three requirements.
4. Eligible applications are filed until a house becomes available. When a house becomes available, all applications will be re-reviewed.
5. The eligible applicant is selected and contacted.

Once an application is approved, the following steps occur:

1. Contact is made with referral source or caseworker, if applicable
2. Applicant is contacted and scheduled for a meeting, tour, review of rules
3. The applicant will be scheduled for an informal meeting about community living
4. A complete background check form is filled out
5. Background check is processed, and results are received
6. Eden Village notifies the resident of the results and finalizes the decision on the applicant. If approved, lease signing and move-in day are scheduled.
